Sub: The Path of **"Na Khaunga Na Khane dunga"** is full of hardship & thorns.

Respected PM Shri. Narendra Modiji,

I, Ashiq A. Merchant, am highly inspired by the path shown by the Hon'ble Prime Minister of India by giving a clarion call namely **"NA KHAUNGA NA KHANE DUNGA"**. I am also inspired by the various movement **"Take Integrity Pledge and be an active part of Corruption Free India"** towards corruption free India as undertaken by Government led by your able leadership. **As such I salute your mission of Corruption Free India, a space to live with Respect, Honour & Pride.**

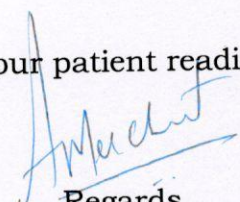

But it's like dream for me as a Citizen of India, because I am fighting from 9th February 2017 for the Justice which was killed & murdered by Justice S. J. Kathawala in open Court Room No. 20 Bombay High Court on 31th August 2016.

"A short brief of my Complaint: A suit was filed based on bogus documents for a property situated at Mulund, Mumbai. I brought to the notice of the Court about the fraud and filing of bogus documents in Court by Plaintiff. Hence, Justice S. J. Kathawala asked me to file an Affidavit on one subject as it will help the Court to decide the dispute speedily. So I brought into the notice of Court one **Mutation Entry 3005**. Then Court directed Talathi to remain present in Court on 31th August 2016. Talathi

came with original records and stated before the Court that the **Mutation Entry shown to him (filed by Plaintiff's) is not genuine.** But no statement was recorded by Justice S. J. Kathawala, as the same was proving fraud of Mr. Manish Bawa (Plaintiff). On being repeated request to take the statement of Talathi on record. Justice S. J. Kathawala assured that statement will come in Final order after argument. Then argument was kept on 20, 21, 22 September 2016 at about 10 a.m. **After four and a half months, an order came to be passed on 8th February, 2017 without statement of Talathi and suppression of original record.** Possibly the Nature wanted to come to our help us, so we got the C. D. of videos and audios of recording when Talathi had stated to the court from Mr. Gopal Shetye, who himself is victim of false implication and has served full term of 7 years in jail before he was acquitted by High Court, holding that Police framed him".

From 9th February 2017 I am running from post to pillar to get Justice. Dear Honorable Prime Minister please take urgent & serious action to safeguard **the Justice and Majesty of Temple of Justice from impurity of falsehood.**

Thanking you for your patient reading.

Regards
Ashiq A. Merchant.

Justice delayed is Justice denied.
